

## 4<sup>th</sup> ECVSMR Scientific Meeting – 20-22 July 2023

- **Dr. Annamaria Nagy**  
PhD, DipACVSMR, DipECVSMR, FRCVS

Annamaria is an Associate Professor at the University of Veterinary Medicine Budapest, where she is leading the orthopaedic diagnostics and diagnostic imaging department. Formerly, Annamaria was a senior clinician at the Animal Health Trust in Newmarket, UK. Annamaria is a Diplomate of the European and American Colleges of Veterinary Sports Medicine and Rehabilitation and holds an RCVS Fellowship Diploma. Her special interests lie in diagnosing complicated lameness and poor performance cases and in advanced orthopaedic imaging, including MRI and standing CT. Annamaria is also an FEI level 4 endurance official and treating veterinarian.
