

## 4<sup>th</sup> ECVSMR Scientific Meeting – 20-22 July 2023

- **Pr. Jean-Marie DENOIX**

DVM, PhD, Founder ISELP, LAIA-ECVDI, DACVSMR, DECVSMR,

Dr. Denoix of the CIRALE (Center of Imaging and Research on Equine Locomotor Affections) in Normandy, France has especial interest in equine musculoskeletal system anatomy, biomechanics and in the diagnosis and rehabilitation of equine lameness. He has founded ISELP in 2006. In 2013 he became Diplomate of the American College of Veterinary Sport Medicine and Rehabilitation (ACVSMR) and is a founding Diplomate of the European College of Veterinary Sport Medicine and Rehabilitation (ECVSMR).

Jean-Marie has been a speaker at many international meetings in more than 30 countries around the world. In 2021, he has been invited to present the 'John Hickman Plenary lecture' at the BEVA meeting and the State of the Art lecture ('Milne Lecture') at the AAEP convention. He has set up a rehabilitation unit at CIRALE where residents of the American and European Colleges of Veterinary Sport Medicine and Rehabilitation are trained. In his spare times, he likes training racing Standardbred trotters.
